Eunice Fire Department, Fire District # 2 and Fire District # 3 were the recipients of communications equipment to greater enhance their ability to communicate with each other in an emergency. Parish President Don Menard has been a strong supporter of parish first responders, especially with supplying them with the equipment they need to do their job effectively. "This is all about saving lives and anything we can do to make our parish first responders better equipped to handle an emergency benefits every citizen of this parish, said Don Menard." Eunice Fire Department received six radios, three mobile and three portable, Fire District # 2 received four radios, three portable and one mobile and Fire District # 3 received twelve mobile radios. The total cost of the equipment is \$58,570.16 and was made possible through a grant from the St. Landry Parish Government Office of Homeland Security and Emergency Preparedness.
